Formation of a stock company to buy the franchise of the Winchester club of the Blue Grass League from J. S. Baskett, of Cynthiana, was discussed at a meeting held at the Chamber of Commerce, in Winchester. A temporary organization was formed, and another meeting was scheduled at which it is hoped to work out plans for the new company. The present plan is to have the company incorporated for \$2,000, selling 300 shares at \$10 apiece. Mr. Baskett has expressed his willingness to dispose of the club.

Coyle, star infielder of the Paris team, has signed with the Cynthiana team for the remainder of the season. Coyle is an excellent ball player, and showed good form while playing here, but became dissatisfied and was given his release.

NEWS OF THE COURTS

Ed Oliver, colored, charged with having liquor in his possession for purpose of sale, was given a hearing in the County Court, before Judge George Batterton, and, following a plea of guilty, was assessed a fine of \$150 and costs and given a jail sentence of thirty days. Failure to pay the fine will necessitate serving it out at hard labor. "Sook" Clay, colored, who was arrested at the same time on the same charge, was dismissed from custody.

Raymond Smith, white, arrested on a charge of failing to support his infant child was brought before Judge Batterton. Smith entered a plea of not guilty, but was ordered to pay the sum of \$2 a week for its care. Dillard Haley, arrested on a similar charge, was dismissed.

Henry Sapp, a young white man, for whom a warrant was sworn to by Harlan Buckler, charging him with assault, voluntarily surrendered. The charge grew out of an alleged attack upon two alleged strike-breakers at the corner of Main and Sixth streets. Following Sapp's surrender, the complaining witness requested that the warrant be withdrawn, declaring that he was mistaken in the party, and that Sapp was innocent.

George Johnson, a white man, residing near Paris, was arrested by State Game Warden A. W. Bullock, of Paris, charged with having skunks in his possession illegally. Mr. Johnson had captured the animals when quite young, and declared that they were ideal house pets, and that he and his family had become greatly attached to them. He was fined the minimum penalty of \$5, and was granted a permit to keep the skunks in his home.

MOFFETT NOMINATED FOR CYNTHIANA POSTMASTER

Nominations of postmasters sent to the Senate by President Harding included the following for Kentucky postoffices:

Gideon D. Ison, Blackey; Everett Hickman, Burlington; William M. Moffett, Cynthiana, and George V. Auxier, Russell.

The appointment of Mr. Moffett for the Cynthiana office ends a long drawn out struggle between a number of aspirants. The contest between the office-seekers was a spirited one. Mr. Moffett is prominent in Cynthiana business circles and politics.

THE STRIKE SITUATION

A threat that the 400,000 maintenance men employed on the nation's railroads will go on strike because of alleged action of certain Eastern roads in attempting to form company organizations to take the place of international brotherhoods and the action of guards employed by the railroads was made at headquarters of the International Brotherhood of Maintenance of Way Employees and Railway Shop Laborers, in Detroit, Mich., Wednesday.

E. F. Grable, president of the union, is in Chicago conferring with the United States Railroad Labor Board and is prepared to demand, it was stated authoritatively, that certain practices of the railroads be abandoned. Unless grievances of the maintenance men are settled, it was stated at union headquarters, a strike is inevitable.

E. F. Grable, president of the International Brotherhood of Maintenance of Way Employees and Railway Shop Laborers, while in Chicago, denied reports of emanating from his headquarters at Detroit that the 400,000 members of the union were threatening again to strike.

Mr. Grable said negotiations were proceeding satisfactorily before the United States Railroad Labor Board.

President Harding, in a telegram sent to J. Cleve Dean, chairman of the Railway Employees' Publicity Association, Chattanooga, Tenn., invited Dean to urge striking railway workers to accept the decision of the railroad labor board and return to work "until you and I and everyone else interested in American welfare may join in asking the railroad labor board to give a rehearing on any question concerning which there is reasonable doubt about the correctness of the justice of the decision made."

The president's message was in reply to a telegram he received last Sunday from Dean in which it was said that "to attempt to operate mines and railroads by military force or to attempt to draft men into mining or railroad service would be an attempt to establish involuntary servitude."

FOUR ROOM COTTAGE FOR SALE.

Cottage, four rooms, 234 Lilliston avenue, property of Mrs. E. L. Kenton, at public sale Tuesday, August 2, at 2:00 p. m., by Harris, Speakes & Harris. (21-3t)

"THE LURE OF JADE" SCREEN FEATURE TO-MORROW

As the charming daughter of a rear admiral, who because of a series of tragic events becomes the exotic and mysterious owner of an inn in the South, Pauline Frederick has one of the greatest roles of her career in "The Lure of Jade," an R-C picture, scheduled for screening at the Alamo and Grand to-morrow afternoon and evening.

That Miss Frederick is one of the really big personalities of the screen and the stage, too, is established beyond question by her brilliant performance in "The Lure of Jade." The story from the facile pen of Marion Orth, fits Miss Frederick as snugly as a new pair of gloves, but beyond that is the fact that Miss Frederick has a most exacting role to portray and she does it with all the consummate skill of a true artist.

A superb cast supports Miss Frederick in "The Lure of Jade." They are Hardee Kirkland, Thomas Holding, Leon Barry, Clarissa Selwynne, L. C. Shumway and Togo Yamamoto. Colin Campbell was the director.

HARLAN TO HAVE NEW PAPER

Another newspaper for Harlan to begin publication as soon as conditions in the coal market will justify, is announced by Landon Smalling, formerly of the Middlesboro newspapers and more recently on the staff of the Harlan Enterprise. The company, which will be owned by a stock company, has already been organized and equipment ordered. Mr. Smalling announced. The newspaper will be Republican in politics.

IMPORTANT NOTICE

The invitations recently sent out to the reception and dance to be given for Eminent Grand Commander M. H. H. Davis, of Paris, at the Masonic Temple to-night, were intended for the wives, daughters, sweethearts and sisters of the Sir Knights as well as the members of the Couer de Lion Commandery themselves. We want the ladies to come, as a dance and reception would not be complete without them. This is given publicly in order to correct a mistaken impression in some quarters that the reception and dance was to be a "stag" affair. We extend a cordial invitation to the ladies to be present and help us make the evening a most enjoyable one.

R. E. LUSK,
Eminent Commander.

FIENDISH MURDER OF WINCHESTER MERCHANT

One of the most fiendish cases of murder in the annals of Winchester history was brought to light in that city Wednesday morning, when Mrs. Leon Renaker, returning from a visit to Cincinnati, found the dead body of her husband, a well-known produce and commission merchant, lying across the bed at their home.

With the head crushed and the left side badly mutilated, the body was found lying across a bed in his home in the heart of the residential district by Mrs. Renaker shortly after 11 o'clock Wednesday morning following her return from a visit to Cincinnati.

There were no signs of a struggle. The wire screen of the back door had been removed. All telephone and electric light wires were cut. A large amount of money believed to have been carried by Mr. Renaker, was missing.

Mr. Renaker had not been seen by any one so far found since his return late Sunday night from Cincinnati, where he, accompanied by Mrs. Renaker, had gone on business, and where she remained until Wednesday. Mr. Renaker had undressed for bed, and was ready to retire, it is thought, when he was attacked and murdered.

Mr. Renaker conducted a large poultry and egg business, and has been in the custom of carrying from \$400 to \$500 in cash on his person. The body was found in bed in a room in the second story of the home. The indications that that his assailant had crept into the room and dealt him several blows with a blunt instrument. Blood was found on the window curtains and marks resembling crimson finger prints were found on the window sill. The body itself was found in the center of a pool of blood. No verdict has been returned by the coroner.

Commission merchants of Cincinnati and Covington recalled that approximately five years ago a negro employed by Leon Renaker, at a turkey-dressing station he maintained at Maysville, Ky., had been convicted of arson for having burned the Maysville turkey station. It was said the negro had sworn vengeance upon Renaker, because Renaker had testified against him at the trial. It was also learned that the negro had been recently released from prison. Winchester police were notified of this clue.

Mr. Renaker was about thirty-five years old, and was one of the best-known business men in Central Kentucky. He was a first cousin of Ewell Renaker of Paris, and for several years had a branch of his business located in the Dow building in Paris, with Grant Robinson, of Richmond, as local manager. He is survived by his widow, Mrs. Nancy Quisenberry Renaker; his mother, Mrs. Nettie Renaker, of Cynthiana; one sister, Mrs. Dr. Crowine, of Lebanon, O., and four brothers, Walter Renaker, of Cincinnati, Frank Renaker, of Paintsville, and Barry and Kirk Renaker, of Cynthiana. His father, S. Renaker, died a few weeks ago at his home in Cynthiana.

GET 'EM TO-DAY, BOYS!

There is likely to be a different kind of drouth in Paris than the lack of rain soon. And this one will be caused by a lack of spirits from "prescriptions" issued by physicians for all the ill human flesh is heir to.

According to a recent ruling of the Prohibition Commissioner, all prescription blanks to be used by physicians in the future must be printed or engraved on a specially-prepared watermarked safety paper furnished by the Government. Consequently all the prescription blanks at present in the hands of local physicians must be sent in to headquarters of the Prohibition Commissioners not later than August 30, when new books will be furnished. Several Paris physicians have already sent their old books in. Sahara will soon be a wet spot compared to this old town!

LIVESTOCK DEALS

Henry S. Caywood, of near North Middletown, shipped to the Eastern markets this week 2,500 lambs purchased at prices ranging from ten to twelve cents per pound.

Mr. Caywood recently received from George K. Pepper, of near Paris, forty-seven head of 1,300-lb. cattle, for which he paid \$9 per hundred pounds, or a total of \$5,500. The cattle, which were purchased for the Swift Packing Company, of Chicago, were shipped to New York.

Nearly 1,700 lambs were sold Wednesday afternoon in the weekly sale of the Fayette Lamb and Wool Co-operative Association, at the Gentry Thompson stock yards, in Lexington, bringing over \$15,000. Caywood & McClintock, of Bourbon county, bought 211 lambs, weighing 15,770 pound, at \$12.95, and 222 lambs, weighing 17,780 pounds, at \$12.65.

ARRESTED ON THREE COUNTS FOR EMBEZZLEMENT

Three warrants charging embezzlement and grand larceny, sworn out by Harry Baldwin, of the Farmers' Supply Co., of this city, were served yesterday morning on James Doty, a former employee of the concern, at his home on Pleasant street. The warrants were served by Sheriff M. Peale Collier and Deputy Sheriff R. M. Gilkey. Doty was taken to the court house, where he was placed under bond of \$500 on each count, and was released after the bonds had been signed by John Sauer, of Paris, his brother-in-law, as surety. Doty has been connected with the Farmers Supply Company for a number of years and was considered one of their most trustworthy employees. It is alleged that he has been converting funds of the concern to his own use, extending over a considerable period. Some time ago he purchased the handsome old Williams home, on Pleasant street, where he and his family have since resided.
